Live the “Green” Way LIQUID COLOR 5K

Dear Prospective Sponsor,

For the past 7 years, businesses like yours have received promotional marketing exposure and have given back to the community by becoming sponsors of the Live the “Green” Way 5K.

We average over 200-300 participants. This year we are continuing the “LIQUID COLOR RUN” to our 5K as well as the pre-race packet pickup event, and continuing the Community Vendor Fair. We are predicting a dramatic increase in participants this year. We are expecting well over 200 participants for the **Live the “Green” Way LIQUID COLOR 5K on Saturday, May 25, 2019.**

We invite you to take advantage of this exceptional advertising and promotional opportunity as a sponsorship participant. Expose your business in newspaper & media advertising, reaching thousands of recipients through printed collateral items, T-shirts, banners, exhibit spaces, and much more. We have provided details of all your sponsorship benefits in this packet and hope you join us for this worthwhile community event.

**Please submit the enclosed Sponsorship Contract
prior to May 4, 2019 to be included in all promotional material.**

For the past seven years, Live the “Green” Way 5K has raised money for Special Education in Robertson County. Funds were distributed to almost every special needs elementary, middle, and high school classroom in Robertson County, providing many needed supplies including a fully stocked kitchen with new appliances. These children are often the smallest part of the school’s budget yet they have the largest need.

This event is to honor the memory of Jennifer Green. In 2012, Jennifer passed away suddenly leaving her children, husband, family and friends mourning her loss. It was through that tragedy that we formed the foundation. Jennifer was an amazing Christian mother of four, of which the oldest has special needs. Anyone who ever met her loved her. She was never without a smile on her face. She also loved children and they loved her. Besides her faith and her family, Jennifer had two other passions: running and helping children with special needs.
